## About Me

My name is Divyansh Pathak and currently i'm pursuing my Masters in M.C.A. from KIET GROUP OF INSTITUTIONS, GHAZIABAD. I had done my Graduation in B.C.A. from Bulandshahr. Through these studies, I've been deepening my knowledge in software development, programming, and various computing technologies. My BCA gave me a solid start in programming and web development, and now my MCA is helping me expand those skills further. I'm deeply interested in web development and have been focusing on improving my skills in Data Structures and Algorithms (DSA) to strengthen my problem-solving abilities. I'm particularly passionate about working with the MERN stack (MongoDB, Express.js, React, Node.js) to build full-stack web applications. My goal is to combine these skills to create efficient, scalable, and user-friendly web solutions.
